Formed in 1977, and steered by the legendary David Coverdale, Whitesnake carry a rightful reputation as one of the world’s leading rock bands. Coverdale’s blues roots, combined with a feral sense of rock and roll, have consistently shaped the ‘Snake’s sound along with Coverdale’s love and appreciation of impeccable musicianship. Whitesnake’s ascent to the very top of the rock n’ roll heap was confirmed with 1987’s self-titled mega-platinum album, which saw two massive Top 10 hits, two #1 singles with “Here I Go Again” and “Is This Love” and a virtual 24-hour domination of MTV around the world. David Coverdale was recently

named one of Revolver’s “100 Greatest Living Rock Stars.” and the UK’s ‘Kerrang!’ voted David Coverdale the ‘Last Great Rock Star’. Musicians on MADE IN JAPAN include **David Coverdale** (vocals), **Doug Aldrich** (guitars), **Reb Beach** (guitars), **Michael Devin** (bass), **Briian Tichy** (drums) and special guest **Brian Ruedy** (keyboards).
